DEPARTMENT OF EDUCATION

Instructions to Inspectors

REVISED, 1913.

DISTRIBUTION OF THE LEGISLATIVE GRANT.

RURAL PUBLIC AND SEPARATE SCHOOLS IN THE DISTRICTS OF ONTARIO.

Statutory Provisions.

The following are the provisions of the Department of Education Act for distributing the Legislative Grant to the Rural Public and Separate Schools in the Districts:

(1) Subject to the Regulations all sums of money appropriated as a general grant for the Rural Public and Separate Schools shall be apportioned by the Minister amongst such Rural Schools on the basis of the salaries paid to the teachers, the value of the equipment, the character of the accommodations, the grade of the teachers' professional certificates, the length of their successful experience, and the amount of the assessments.

(2) Subject to the Regulations the grants so apportioned to Rural Public and Separate Schools in Provisional Judicial Districts shall be paid to the respective boards of trustees on or before the 1st day of August in each year or in two equal instalments, the first on or before the 1st day of August, and the second on or before the 1st day of December.

(3) Subject to the Regulations all sums of money appropriated for assisted schools shall be apportioned by the Minister, to Public and Separate School Boards in poor rural districts, and to the residents of lumber, mining and other settlements.

General Instructions.

The information herein contained is now communicated to the District Inspectors in order that they may procure from School Boards and Township Clerks the data necessary for the official returns on which the distribution will be made by the Minister (the forms for which are sent herewith to each Inspector).

Certification of Returns.

All returns from School Boards shall be certified by the Secretary or Secretary-Treasurer; those from the Township Clerks shall be certified by these officials; and said returns shall be retained by the Inspector for at least one year as his authority for his official report.

Payment of the Instalments.

The Department of Education Act provides for the payment of the Legislative Grant in two equal instalments on or before the first days of August and December in each year. It will accordingly be necessary for the Inspector to act as expeditiously as possible in procuring the information he may need, so as to transmit to the Department of Education the official forms completely filled in, *not later than June 22nd.*

Before payment of the second instalment is made the Inspector will, not *later than the 15th day of November,* furnish the Department with a Supplementary Report confirming his June Report or recommending such alterations therein as the situation may then render necessary.

All schools which have been open for less than *four and one-half months* in the first term shall be reported by the Inspector in his November report, and shall be paid the full proportion of the Legislative Grant to which they are entitled, at the time the second instalment is paid, except in special cases where the Inspector is able to report that such schools intend to remain open so as to complete the prescribed time before the opening of the second term, in which case the grant will be included with the first instalment and the cheque sent to the Inspector's care, to be held by him until such time as the schools in question have completed the specified time.

Assessments and Sections.

(1) In the case of *organized townships* the average section assessment of the township hereinafter referred to is the quotient obtained by dividing by the number of school sections in the township the average of the total assessed values of the township for the three years next preceding the year of distribution.

(2) For the above computation:—

(*a*) The lands of the supporters of each Separate School shall be counted as a section in forming the divisor.

(*b*) A union section shall be counted as belonging to the township in which the school building is situated and the assessed value of the portion of the other township or townships completing said union section shall be added to the dividend (see Public Schools Act of 1909, sections 29 and 35).

(*c*) When there are two schools in a section, the section shall be counted as two sections in forming the divisor.

(3) In the case of *unorganized townships,* the average section assessment hereinafter referred to shall be computed on the average of the total assessed values of the section for three years next preceding the year of distribution.

(4) If, in any year, the assessment of 1909 is reduced in any case, such reduction shall not be recognized by the Department of Education unless satisfactory reasons are submitted, through the Inspector, for said reduction.

SCHEME OF DISTRIBUTION.

The Inspector shall give in his June return the total *yearly* apportionment to each school, *not including Continuation Schools,** and the amount due to each shall be the sum of the Grants to which it is entitled under the following regulations:

A proportionate reduction of the total yearly Grant, however, shall be made in respect of those schools which failed to remain open and in effective operation the whole year, and no school shall be entitled to receive a Grant which has been open less than four and one-half months.

The Inspector in proportioning the Grants to such schools as were not open the whole year shall base his calculations on the school year of ten months.

I. Fixed Grants.

When the average section assessment, as defined above, is less than $20,000, each school shall receive a fixed grant of $40; when it is at least $20,000, but less than $30,000, the fixed grant shall be $30; when it is at least $30,000, but less than $40,000, the fixed grant shall be $25; and where it is at least $40,000, but less than $50,000, the fixed grant shall be $20; where it is 50,000 or over, there shall be no fixed grant.

---

*The term "Continuation School" applies, not to the whole public or separate school, but to the particular division or divisions thereof in which Continuation School work is taught.

II. Grants Payable on Teachers' Salaries.

Each school shall receive 40 per cent. of the amounts paid in teachers' salaries during the calendar year, up to a maximum of $600 salary in the case of each teacher, the computation beginning as follows:

(1) At $100, where the average section assessment, as defined above, is less than $20,000.

(2) At $150 for a Principal and $100 for an assistant where the average section assessment, as defined above, is $20,000 or over.

III. Grants on the Teachers' Qualifications.

The following grants shall be paid on the basis of the grades of the teachers' professional certificates and the length of their successful experience, *the competency of each teacher being attested by the Inspector of the school for which such grant is claimed.*

(*b*) The above grants for the improvement of equipment and accommodations shall be expended by the School Boards under the advice of the Inspector; and the improvements, with the items of expenditure, shall be reported to him by the School Boards, before August 1st of the year next following the receipt of the grant.

(*a*) Each school shall receive 10 per cent. of the approved value of the equipment up to a maximum of $20 for each Principal and $2.50 additional for an assistant; the items of the equipment on which the valuation is made being those prescribed in Circular No. 33, 1907, and provided in the school. *The special equipment for Continuation Schools and Fifth Class shall not be included.*

All applications for this grant must be made by the Trustees through the Inspector, on or before the 15th day of October. The Trustee shall supply the Inspector with all the information he may require, in regard to the purchases of the books, including vouchers from the booksellers.

The Inspector shall make application to the Department of Education on a form to be provided, which must be forwarded to the Department of Education not later than the 1st day of November.
